

6.1 Personal Académico Disponible

El perfil del profesorado del IESE, está marcado por una rigurosa trayectoria de dedicación profesional y de formación. Todos los profesores dedicados a tiempo completo poseen un doctorado y un marcado perfil investigador. Actualmente, el claustro de profesores del IESE, está formado por un total de 179 profesores (incluidos profesores a tiempo completo, parcial y visitantes). De ellos, 101 profesores están a tiempo completo, con una edad media de 48 años y procedentes de más de 20 nacionalidades.

Los profesores a tiempo completo dedican fundamentalmente su actividad profesional al IESE en tareas de docencia, investigación y dirección y servicio institucional. De todos ellos se espera una colaboración generosa en todas las tareas que el IESE lleva a cabo. Esta exigencia, acomodada a la edad y condiciones del profesor, se materializa, como principio fundamental, en su plena disponibilidad a todas las actividades impulsadas y dirigidas por el IESE.

Para llevar a cabo el Máster Universitario en Ciencias de la Dirección, el IESE dispone del personal académico que viene impartiendo la docencia desde que se implantaron estos estudios. Dado el carácter interdisciplinar del programa, se incluye todo el personal implicado en este momento en las tareas docentes. No se ha incluido en esta relación otro personal disponible con contrato permanente en la misma, que en la actualidad no está impartiendo docencia en dicho Posgrado. Consideramos que este personal constituye un gran soporte docente, investigador y a nivel de gestión del IESE.

La totalidad del claustro vinculado al IESE puede estar involucrada mediante tutorías, mentorías, proyectos de investigación y/o colaboraciones específicas relacionadas con las líneas de investigación llevadas a cabo por los departamentos académicos.

La dedicación concreta del profesorado del IESE a este Master es muy variable al compartir su dedicación con tareas docentes en otros Programas. El rango de dedicación de los profesores al Máster varía desde un 1 % hasta un 100% de horas respecto a las horas de trabajo de cada profesor. En la web del Departamento, pueden consultarse los profesores que imparten clase en este programa:

LISTA DE PUBLICACIONES INDEXADAS ORDENADAS POR AUTOR

El esquema de las categorías de las publicaciones que utilizamos corresponde al ranking de revistas y publicaciones del Journal Citation Report publicado por Thomson Reuters, basado en el índice de impacto en la categoría o categorías en que se engloba la publicación, y el lugar que ocupa la revista en el conjunto de las que corresponden a un área de conocimiento.

Q1 = primer cuartil. Corresponden a las publicaciones que están en el rango superior (dentro del primer 25% de publicaciones) según el índice de impacto a 5 años

Q2 = segundo cuartil. Corresponden a las publicaciones que están en el rango medio-superior (del 50% al 25%) según el índice de impacto a 5 años

Q3 = tercer cuartil. Corresponden a las publicaciones que están en el rango medio inferior (entre el 75% y el 50%) según el índice de impacto a 5 años

Q4= cuarto cuartil. Corresponden a las publicaciones que están en el rango inferior (último 25%) según el índice de impacto a 5 años

Hemos incluido en este documento, tanto a los Profesores que imparten asignaturas en el Master como a aquellos que participan en el Programa, bien como enlace del Master y el Departamento correspondiente del IESE, bien como mentores de los alumnos de primer año.

Para distinguir ambas categorías, se ha destacado en azul la información relativa al profesorado que no imparte clases pero que está vinculado al Programa.
