Dear Prof. Carlo Carraro,

Following our communication on 29/07/2014, we are pleased to inform you that additional funds were made available for the Action in reference.

We confirm that the application in reference is selected for EU co-funding.

The maximum amount of budget to be awarded to your project is **1.969.000 Euro**.

In this context, it is very important that you provide us with the link to your JMD project website as soon as this is available, so that this link can also be published on the Agency's website. If you have amendments to make to the project description after publication, please let us know via the Joint Master Degrees functional mailbox:

[EACEA-EPLUS-JMD@ec.europa.eu](mailto:EACEA-EPLUS-JMD@ec.europa.eu).

We would also like to take the opportunity to invite you and a representative of one of the Partners of your consortium to a bilateral meeting that will be organised in our premises before the end of the year. Your travel and accommodation costs should be covered from the project management lump-sum included in your project budget, subject to the signature of the Grant Agreement. Please note that for organisational reasons we cannot allow for participation of more than two representatives of your project. Practical information will follow in due time.

In order to be able to proceed with the administrative tasks, we need to receive from your side the FINANCIAL IDENTIFICATION FORM, indicating the bank account on which the EU grant will be transferred after contract signature.

Please find the template at the following link:

Print it in the relevant language, fill it in and sign it, scan it and send it back by e-mail to the e-mail address indicated above.

Please read carefully which information is needed, provide all necessary signatures and add all relevant supporting documents.

This letter does not represent a financial or legal commitment of the Executive Agency. The offer of an award is confirmed only when the legal representative of the Executive Agency signs the Grant Agreement associated with this application.

Please do not hesitate to contact us should you have any further questions.

Yours sincerely,

Mónica HOLIK  
Head of Unit
